

REACH / ROHS COMPLIANCE DECLARATION

DELEGATED DIRECTIVE (UE) 2015/863

We hereby inform you that none of the items we produce or sell, such as expanded polystyrene packaging, stretch and shrink film, airboll, foam and other items for packaging, contain substances classified as SVHC (Substances of Very High Concern), in the current Candidate List of the REACH Regulation, in quantities exceeding 0.1% weight/weight. All our products are free from HBCD (Hexabromocyclododecane).

All our products don't contain any of the substances banned by Directive 2015/863/EU (RoHS 2.0 Compliance):

- Lead (Pb)
- Mercury (Hg)
- Cadmium (Cd)
- Hexavalent chromium (Cr6 +)
- Polybrominated biphenyl (PBB)
- Polybrominated diphenyl ether (PBDE)
- Di-2-ethylhexyl phthalate (DEHP)
- Benzyl butylphthalate (BBP)
- Dibutylphthalate (DBP)
- Diisobutylphthalate (DIBP)

(DEHP, BBP, DBP and DIBP have been added as part of the EU DIRECTIVE 2015/863 which was published on March the 31st 2015)

and there is no flame retardant Hexabromocyclododecane (HBCD).

Please also note the following: our expanded polystyrene products are configured as defined in the REACH regulation:

"...an object which during production is given a particular shape, surface or design which determines its function to a greater extent than its chemical composition..."

and do not fall within its direct field of application and White Gold Packaging does not produce substances or similar products.

However, it will be always the responsibility of White Gold Packaging srl to monitor the REACH legislation, the Candidate List, because they are being constantly updated and also we monitor what we have purchased from our suppliers, to ensure that any item we produce or sell always meets the conditions set by the REACH Regulation.
